X1 MEMORANDUM FOR:

SUBJECT : Request from Norm Cornish, Staff Director,
House Government Operations Subcommittee
on Conservation, Energy, and Natural Resources

1. Will you please determine whether or not we can provide any information in response to the following request.

2. Norm Cornish has requested whether or not the Agency has any information concerning reports that the Soviets are having environmental problems in a large oil shale excavation in Estonia. According to Cornish, the dumping of tailing in a lake is polluting it badly. The request is in connection with a Subcommittee study on the environmental impact of oil shale excavation.
